Nitrile Gloves P01

Latex Gloves P18

PU Gloves P23

Garden Gloves P27

Shell Gloves P31

HPPE SHEEL NITRILE GLOVES

Industrial-leading cut-resistance
HPPE & fiberglass blend shell provides
exceptional dexterity and feel
High performance

YONGLI GLOVES

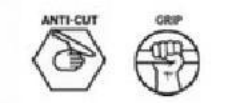

NH001

- 13-gauge HPPE and steel blend shell
- Flexible sandy nitrile palm coating

CE

NH002

- 13-gauge HPPE and fiberglass blend shell
- Flexible foam nitrile palm coating

CE

NH003

- high-performance 13-gauge HPPE and steel shell
- Flexible smooth nitrile palm coating

CE

NITRILE SERIES

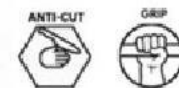

NH004

- High-performance 15-gauge HPPE and steel shell
- Smooth nitrile 3/4 knuckle coating inner, sandy palm coating outer

CE

NH007

- Anti-impact TPR 13-gauge HPPE and steel blend shell
- Flexible sandy nitrile 3/4 knuckle coating

CE

NH005

- High-performance 15-gauge HPPE and steel shell
- Smooth nitrile full coating inner, sandy palm coating outer

CE

NH008

- Anti-impact TPR 13-gauge HPPE and steel blend shell
- Flexible sandy nitrile 3/4 knuckle coating

CE

NH006

- Anti-impact TPR 13-gauge HPPE and fiberglass shell
- Flexible sandy nitrile palm coating

CE

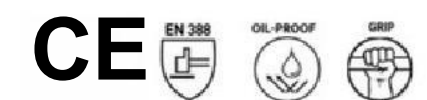

NITRILE COATING SERIES GLOVES

- Flexible nitrile palm coating
- Eco-friendly, sustainably made
- Super grip and abrasion resistance
- Suitable for construction, auto assembly

NP001

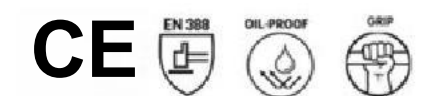

- High-performance 13-gauge polyester shell
- Smooth nitrile palm coating

NP002

- High-performance 13-gauge polyester shell
- Smooth nitrile palm coating

NP003

- High-performance 15-gauge polyester shell
- Smooth nitrile palm coating

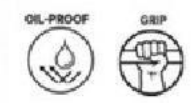

NP004

- High-performance 13-gauge polyester shell
- Smooth nitrile palm coating

CE

NP007

- High-performance 15-gauge polyester shell
- Smooth nitrile palm coating

CE

NP005

- High-performance 15-gauge polyester shell
- Smooth nitrile palm coating

CE

NP008

- High-performance 13-gauge polyester shell
- Smooth nitrile palm coating

CE

NP006

- high-performance 13-gauge polyester shell
- Flexible smooth nitrile palm coating

CE

NP009

- High-performance 13-gauge U3 polyester shell
- Smooth nitrile palm coating

CE

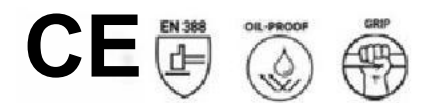

FLEXIBLE FOAM NITRILE PALM COATED

- ★ Durable-maximum abrasion resistance
- ★ Excellent flexible and feel
- ★ Ideal for construction, machinery maintenance

NP010

- High-performance 15-gauge polyester shell
- Micro foam nitrile palm coating

NP011

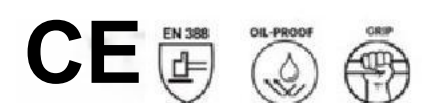

- High-performance 15-gauge polyester shell
- Foam nitrile palm coating

NP012

- High-performance 13-gauge polyester shell
- Foam nitrile palm coating

NITRILE SERIES

YONGLI GLOVES

Foam nitrile palm coating

With nitrile dots or bars

Provide excellent grip

Flexible and anti-slip

NP013

- High-performance 15-gauge polyester shell
- Micro foam nitrile palm coating with nitrile dots

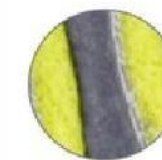

CE

NP014

- High-performance 13-gauge polyester shell
- Foam nitrile palm coating with grey nitrile bar on palm

CE

NP015

- High-performance 13-gauge polyester shell
- Micro foam nitrile palm coating

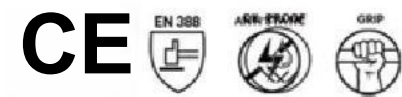

CE

NP016

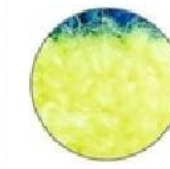

- High-performance 15-gauge polyester shell
- sandy nitrile palm coating

NP019

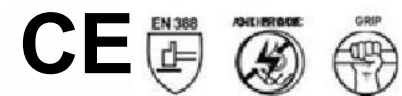

- High-performance 15-gauge polyester shell
- Smooth nitrile 3/4 knuckle coating inner, sandy nitrile palm outer
- Fleece lining for warmth

NP017

- high-performance 15-gauge polyester shell
- Smooth nitrile 3/4 knuckle coating inner, sandy nitrile 3/4 knuckle outer

NS001

- High-performance 15-gauge spandex shell
- Flexible sandy nitrile palm coating

NP018

- High-performance 15-gauge polyester shell
- Smooth nitrile 3/4 knuckle coating inner, sandy nitrile palm coating outer

NS002

- High-performance 15-gauge spandex shell
- Flexible smooth nitrile palm coating inner, sandy nitrile palm coating outer

NITRILE COATED GLOVES

Good performance in oil /acid/alkali environment

NJ001

- High-performance cotton jersey shell
- Smooth nitrile 3/4 knuckle coating, knit wrist

NJ002

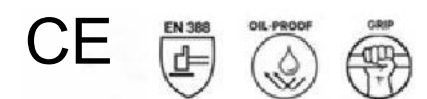

- High-performance cotton jersey shell
- Smooth full nitrile coating, knit wrist

NJ003

- high-performance cotton jersey shell
- Flexible smooth nitrile 3/4 knuckle coating, knit wrist

NJ004

- High-performance cotton jersey shell
- Smooth full nitrile coating, knit wrist

CE

NJ005

- High-performance cotton jersey shell
- Smooth nitrile 3/4 knuckle coating, safety cuff

CE

NJ006

- High-performance cotton jersey shell
- Smooth full nitrile coating, safety cuff

CE

CRINKLE RUBBER LATEX COATED GLOVES

Great dexterity and flexible

Crinkle palm coating provides superior grip

Suitable for construction, industry, garden work

LC001

- High-performance 10-gauge poly/cotton shell
- Flexible wrinkle latex palm coating

CE

LP001

- High-performance 13-gauge polyester shell
- Flexible wrinkle latex palm coating

CE

LC002

- High-performance 10-gauge poly/cotton shell
- Flexible wrinkle latex palm coating

CE

LP002

- High-performance 13-gauge polyester shell
- Flexible wrinkle latex 3/4 knuckle coating

CE

LC003

- High-performance 10-gauge poly/cotton shell
- Flexible wrinkle latex palm coating

CE

LP003

- High-performance 13-gauge polyester shell
- Flexible wrinkle latex 3/4 knuckle coating

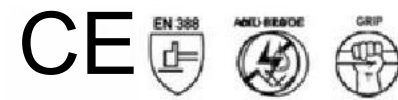

CE

LP004

- High-performance 13-gauge polyester shell
- Flexible foam latex palm coating

LA001

- High-performance 10-gauge acrylic shell
- Flexible wrinkle latex 3/4 knuckle coating
- Acrylic napping lining for warmth

LP005

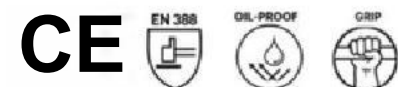

- High-performance 15-gauge polyester/nylon shell
- Flexible smooth latex 3/4 knuckle coating

LP006

- High-performance 13-gauge polyester shell
- Flexible sandy latex palm coating
- Fleece lining for warmth

PU COATED GLOVES

- ◆ Provide superior dexterity and flexible
- ◆ Ideal for precision tasks, electronic
- ◆ Antistatic

PUC001

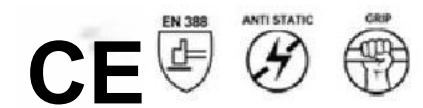

- High-performance 13-gauge carbon/polyester blend shell
- Flexible PU fingertip coating

PUP001

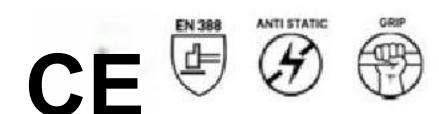

- High-performance 13-gauge blue polyester shell
- Flexible PU fingertip coating

PUP002

- High-performance 15-gauge blue polyester shell
- Flexible PU palm coating

PUP003

- High-performance 15-gauge white polyester shell
- Flexible PU palm coating

CE   

PUH002

- 13-gauge HPPE, steel and fiberglass blend shell
- Flexible PU palm coating

CE   

PUP004

- High-performance 13-gauge black polyester shell
- Flexible PU palm coating

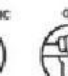

CE   

PUH003

- 13-gauge HPPE, steel and fiberglass blend shell
- Flexible PU palm coating

CE   

PUH001

- 13-gauge HPPE, steel and fiberglass blend shell
- Flexible PU palm coating

CE   

PUH004

- 15-gauge HPPE and steel blend shell
- Flexible PU palm coating
- Reinforced thumb saddle

CE 

GARDEN GLOVES

G001

- High-performance 13-gauge polyester shell garden glove

CE  

G002

- High-performance 13-gauge polyester shell garden glove
- Flexible smooth nitrile palm coating

CE  

G003

- High-performance 13-gauge polyester shell garden glove

CE  

G004

- High-performance 13-gauge polyester shell garden glove

CE 

G007

- High-performance 13-gauge polyester shell garden glove
- Flexible smooth nitrile palm coating

CE 

G005

- High-performance 13-gauge polyester shell garden glove

CE 

G008

- High-performance 13-gauge polyester garden glove
- Flexible polyurethane palm coating

CE 

G006

- High-performance 13-gauge polyester shell garden glove
- Flexible smooth nitrile palm coating

CE 

G009

- High-performance 13-gauge polyester garden glove
- Flexible polyurethane palm coating

CE 

SHELL GLOVES

Y001

· High-performance 13-gauge polyester shell

Y002

· High-performance 13-gauge polyester shell

Y003

· High-performance 13-gauge polyester shell

Y004

· High-performance 15-gauge polyester/nylon shell

Y005

· High-performance 13-gauge aramid and steel shell

Y006

· High-performance 13-gauge poly/cotton shell
